Dear Mr. Jones:

Per your direction, the Friends of John Boehner Committee, FEC committee ID C00237198, is filing an amendment to its Pre-Primary report that was originally filed on February 23, 2012.

Upon review of the FEC's website, we noted that the Schedule B of the report did not appear along with the remainder of the report. The uploaded electronic file containing all schedules had passed validation in its entirety prior to its upload. Since the discovery of this issue, the committee has been in contact with the FEC's technical support team in an attempt to identify the reason for the truncated report file.

Because neither the FEC nor we have been able to determine the source of the technical problems with the report as it was filed on February 23, 2012, the amendment filed today is the complete report showing all applicable Schedules.

Sincerely,

Lisa Lisker
Treasurer
